

## Company Profile PT Quantum Inti Akurasi

PT. Quantum Inti Akurasi (QIA) is the first and the only company in Indonesia who specializes in Biomedical, Radiology and HVAC Testing and Calibration instrumen business. We actively represent some world-Class brands such as Fluke Biomedical (USA), RTI Electronics (Sweden), imtmedical (Switzerland), MGP Instrument (USA), X-Rite (USA), Sun Nuclear (USA), KIMO (france), and Larson Davis (USA) etc.

As part of our missions, we provide comprehensive application trainings to end-users, product warranty and after-sales service for every single product produced through us or our dealers. We hold several free technical seminars and on-hand demonstration in healthcare equipments testing and calibration as a contribution to Indonesian human-resource's calibration skill improvement. Radiology Quality Control, Ventilator Calibration and Audimeter Calibration are amongst the seminars we had done successfully. For such seminars, we work closely with technical experts from our principals and hospitals.

To better serve and work closely with our costumers, we have dedicated team of Sales engineer, Application/Support Engineers and Service Engineers to make sure our costumers receive the fullest service from our company and our principal's companies. Our Sales, Application and Service Engineers are fully trained and certified by our principal companies.
